Revised 9/21/87 #537
FOR ZONING VACONCE + AMENDMENT TO THE FINAL DEV. The undersigned, legal owner(s) of the property situate in Baltimore County and which is described in the description and plat attached hereto and made a part hereof, hereby petition for a Variance from Section 1804.3.B.3 to permit side yard setbacks of 40 ft. in lieu of the required 50 ft. each and to amend the final development plan on ot #6. block G. Section 5. Ouinn Subdivision. of the Zoning Regulations of Baltimore County, to the Zoning Law of Baltimore County; for the following reasons: (indicate hardship or practical difficulty) Current restrictions provide for a 50' setback on each side (width) of the property. With a total property width of 170', the widest nouse that can currently be built is 70'. The width of the house that the owner wants to build is 90'. Therefore, a 10' variance on each side (width) is requested. Property is to be posted and advertised as prescribed by Zoning Regulations. I, or we, agree to pay expenses of above Variance advertising, posting, etc., upon filing of this petition, and further agree to and are to be bound by the zoning regulations and restrictions of Baltimore County adopted pursuant to the Zoning Law For Baltimore County, I/We do solemnly declare and affirm. under the penalties of perjury, that I/we are the legal owner(s) of the propertywhich is the subject of this Petition. Contract Purchaser: Legal Owner(s): Gary G. Terrinoni (Type or Print Name) (Type or Print Name) Celeste C. Terrinoni (Type or Print Name) Electo C. PETITION FOR ZONING VARIANCE * E/S of Kincaid Road, 1265 ZONING COMMISSIONER ft. south of c/l of Sweet Air Road (13 Kincaid Road) * OF BAI TIMORE COUNTY 10th Election District 6th Councilmanic District CASE No. 88-1'57 Gary G. Terrinoni, et ux Petitioners ****** FINDINGS OF FACT AND CONCLUSIONS OF LAW The Petitioners herein request a side yard setback of 40 feet in lieu of required 50 feet on each side and to amend the final development plan on #6, block G, Section 5, Quinn subdivision, as more particularly set forth etitioners' Exhibit 1. During the hearing the Petitioner requested an dment of his Petition to allow a side yard setback variance of 44 feet not the 40 feet, as requested, on the south side of the proposed house, to lot 15. The Petitioner appeared and testified. The only Protestant was Darrell cher, the owner of lot 15. The testimony established that the subject property is an unimproved lot, feet by 270 feet on Kincaid Court off of Sweet Air Road. The property is R.C.5 and the Owner/Petitioner wishes to construct a single family ling unit approximately 86 to 90 feet long. The building serback requires would not permit the construction of this size home and, therefore, suant to Section 307 of the Baltimore County Zoning Regulations, a variance been requested of Section 1A04.3.B3 of the Baltimore County Zoning The design of the proposed dwelling unit is such that to be properly anced, and to have the proper roof lines, the house must be at least 86 long. The Protestant stated that he would not like to see a 10 foot iance granted on his side, because the house would be too close to his PETITION FOR ZONING VARIANCE 10th Election District - 6th Councilmanic District Case No. 88-145-A

is hereby made aware that proceeding at this time is at his own risk until such time as the applicable appellate process from this Order has expired. If, for whatever reason, this Order is reversed, the Petitioner would be required to return, and be responsible for returning, said property to its original condition. J. Dear Mr. Hairs.

On Jure 11, 1987 we filed for a variance in connection with linding our home. It that him we were informed that the completion of this process would be at the most 90 days. We have been informed that our variance having will be conducted on betofer 27, 1987, which is well over the 90 days time span quoted by the Joning Office. If we have to wait, by the combettion of this process will be we can file for our building permit, it appears that we will be traking ground in Herenber right at the start of winter. We can not hold off building until Issing unce by have already taken the following the as the start of diving for the travaries. We can not hold off building until Issing for the travaries of lappaint he house from and 10 collected memous bids on building the house for a wan and 10 collected memous bids on building the house for a wanting hatting varieting variety, it was a further and the brother of our name of back the start of a such ligher interest hat and we would probably have the majority of our often formed building prices being relied by have the majority of our often formed building brices being relied as a much higher with the best with the back of a start of which and could place an extend the back to use meeting our building ladget and could, in all probability, cause meeting our building broces of estating our wildens for our started our wald process of the process of the substant on order to especially our wald process of the substant of the wilders and or wald for our wald of the wald of the wald of the substant and cooperation into this matter would be deeply appreciated.
